

How to add your AI Workshop Certification to your LinkedIn Profile

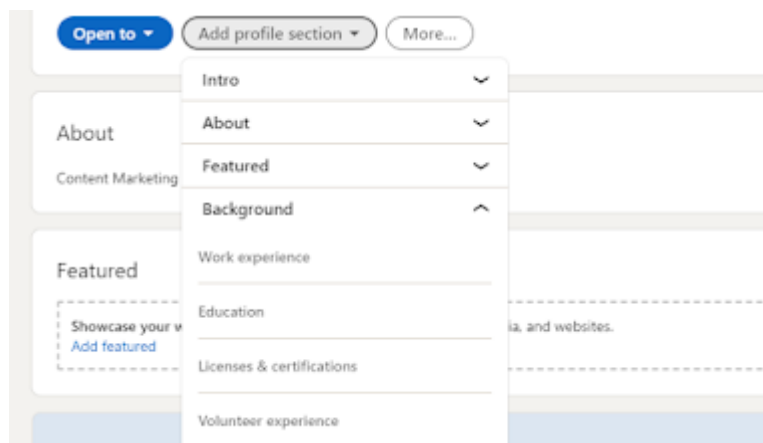

Adding your Certification to LinkedIn:

1. Click the **"ME"** Icon located at the top right of your LinkedIn homepage.

2. Click **"View Profile"**
3. If you have previously added a certification badge, then great! Just scroll down to **"licenses and Certifications"** and press **+ Add**.
If you haven't added a certification before then you need to add a Licenses and Certifications section to your profile first.

1. On your profile page click the **"Add new profile"** button located in your introduction section
Under the background section of the dropdown, click **"Licenses and Certifications"**

2. Type in your certification information.
