

 **IRMS Conference 2025**

Securing & maintaining long-term SharePoint records in the AI era

Nathan Voogt

VP of Sales at Preservica

19th May, 2025

Peaky Blinders vs Peaky BlAInders

Tommy Shelby Quotes

//

You can change what you do, but you can't change what you want.

Real or Copilot?

//

You can silence a desire, bury it deep—but when the dust settles, it will still be breathing.

Peaky Blinders vs Peaky BlAInders

Tommy Shelby Quotes

//

You can change what you do, but you can't change what you want.

Tommy

//

You can silence a desire, bury it deep—but when the dust settles, it will still be breathing.

Peaky Blinders vs Peaky BlAInders

Tommy Shelby Quotes

//

When you plan something well, there's no need to rush.

Real or Copilot?

//

The man who truly understands the game never needs to run—he simply waits for the pieces to fall into place.

Peaky Blinders vs Peaky BlAInders

Tommy Shelby Quotes

//

When you plan something well, there's no need to rush.

Tommy

//

The man who truly understands the game never needs to run—he simply waits for the pieces to fall into place.

Peaky Blinders vs Peaky BlAInders

Tommy Shelby Quotes

//

If there is a limit, I
will erase it.

Real or Copilot?

//

I have no
limitations.

Peaky Blinders vs Peaky BlAInders

Tommy Shelby Quotes

//

If there is a limit, I
will erase it.

Real or Copilot?

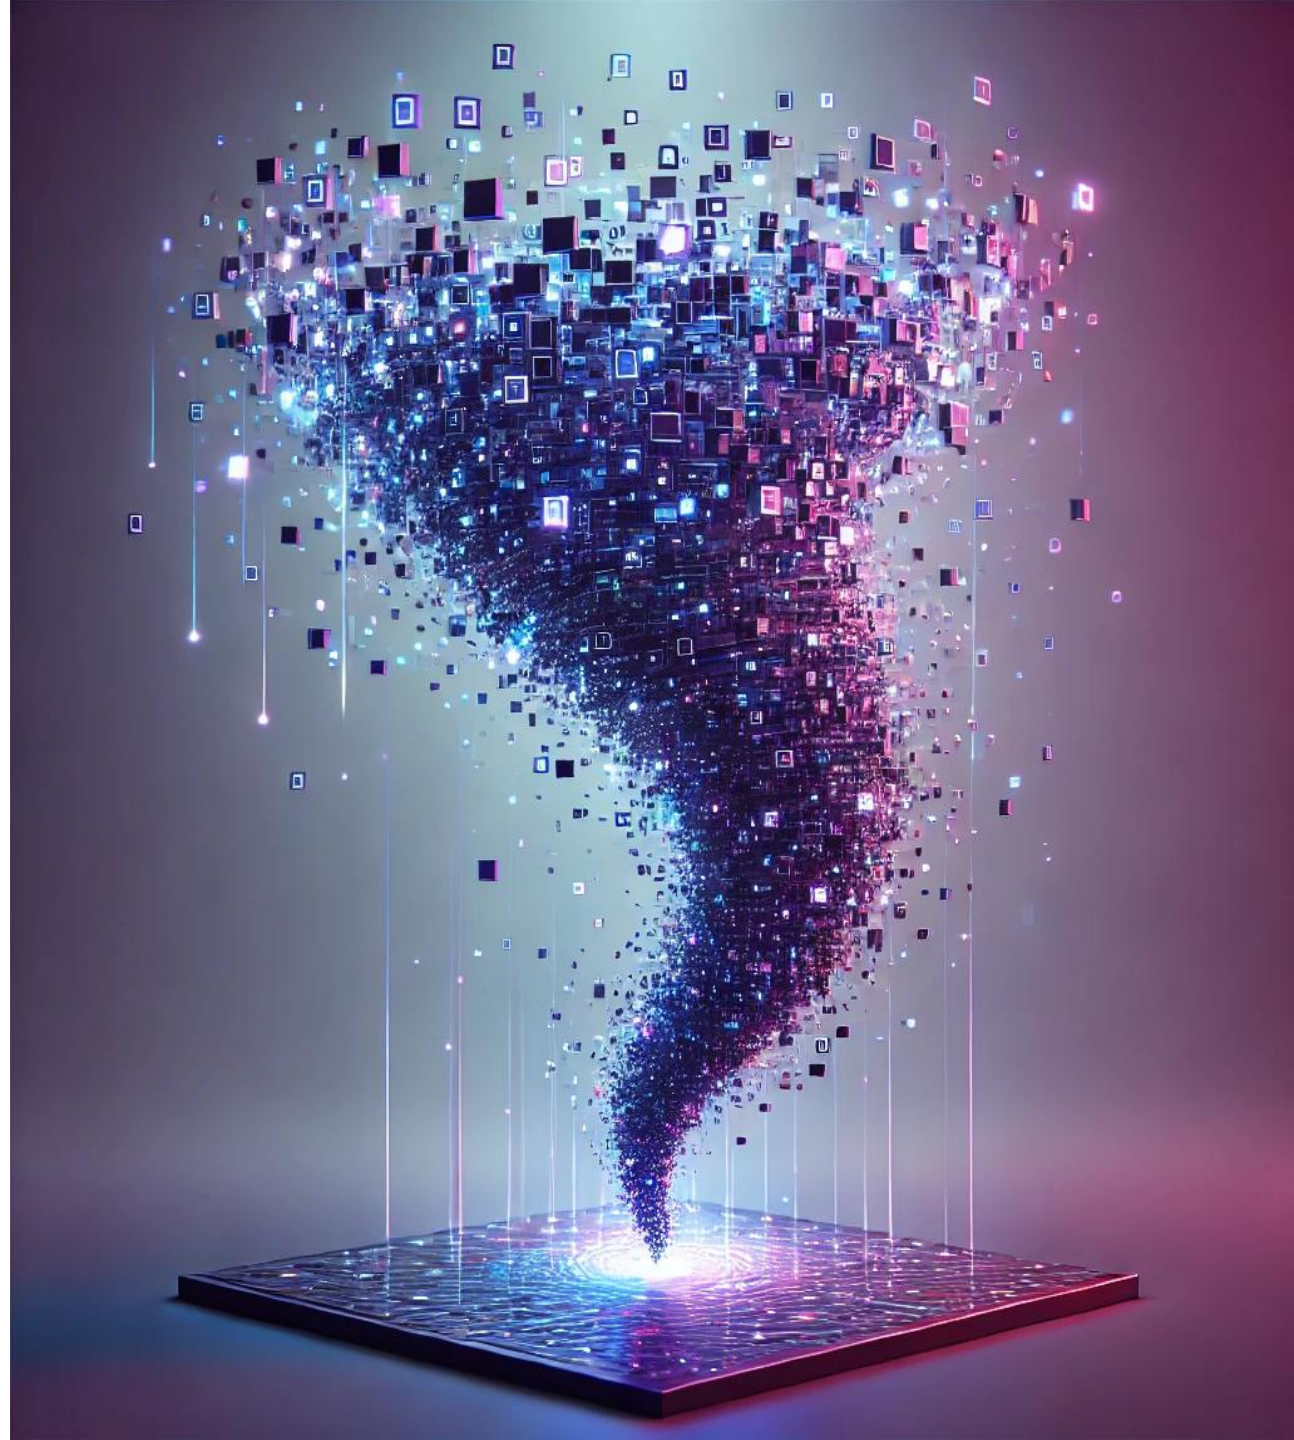

//

I have no
limitations.

TommAI

A perfect storm in the digital world

- Rapid content growth
- Rising data loss
- Governance complexity
- AI adoption

**Continued exponential
growth of SharePoint
content**

> 2 billion

Files added everyday

**Stored & accessed
across more & more
sites**

2 million

Sites created each day

Microsoft Ignite 2024 (Nov.18-22)
"Reimagine content management with agents in SharePoint"

IDC Info Snapshot
2024 reports that

One-third

of data in Microsoft 365
needs to be retained
long term

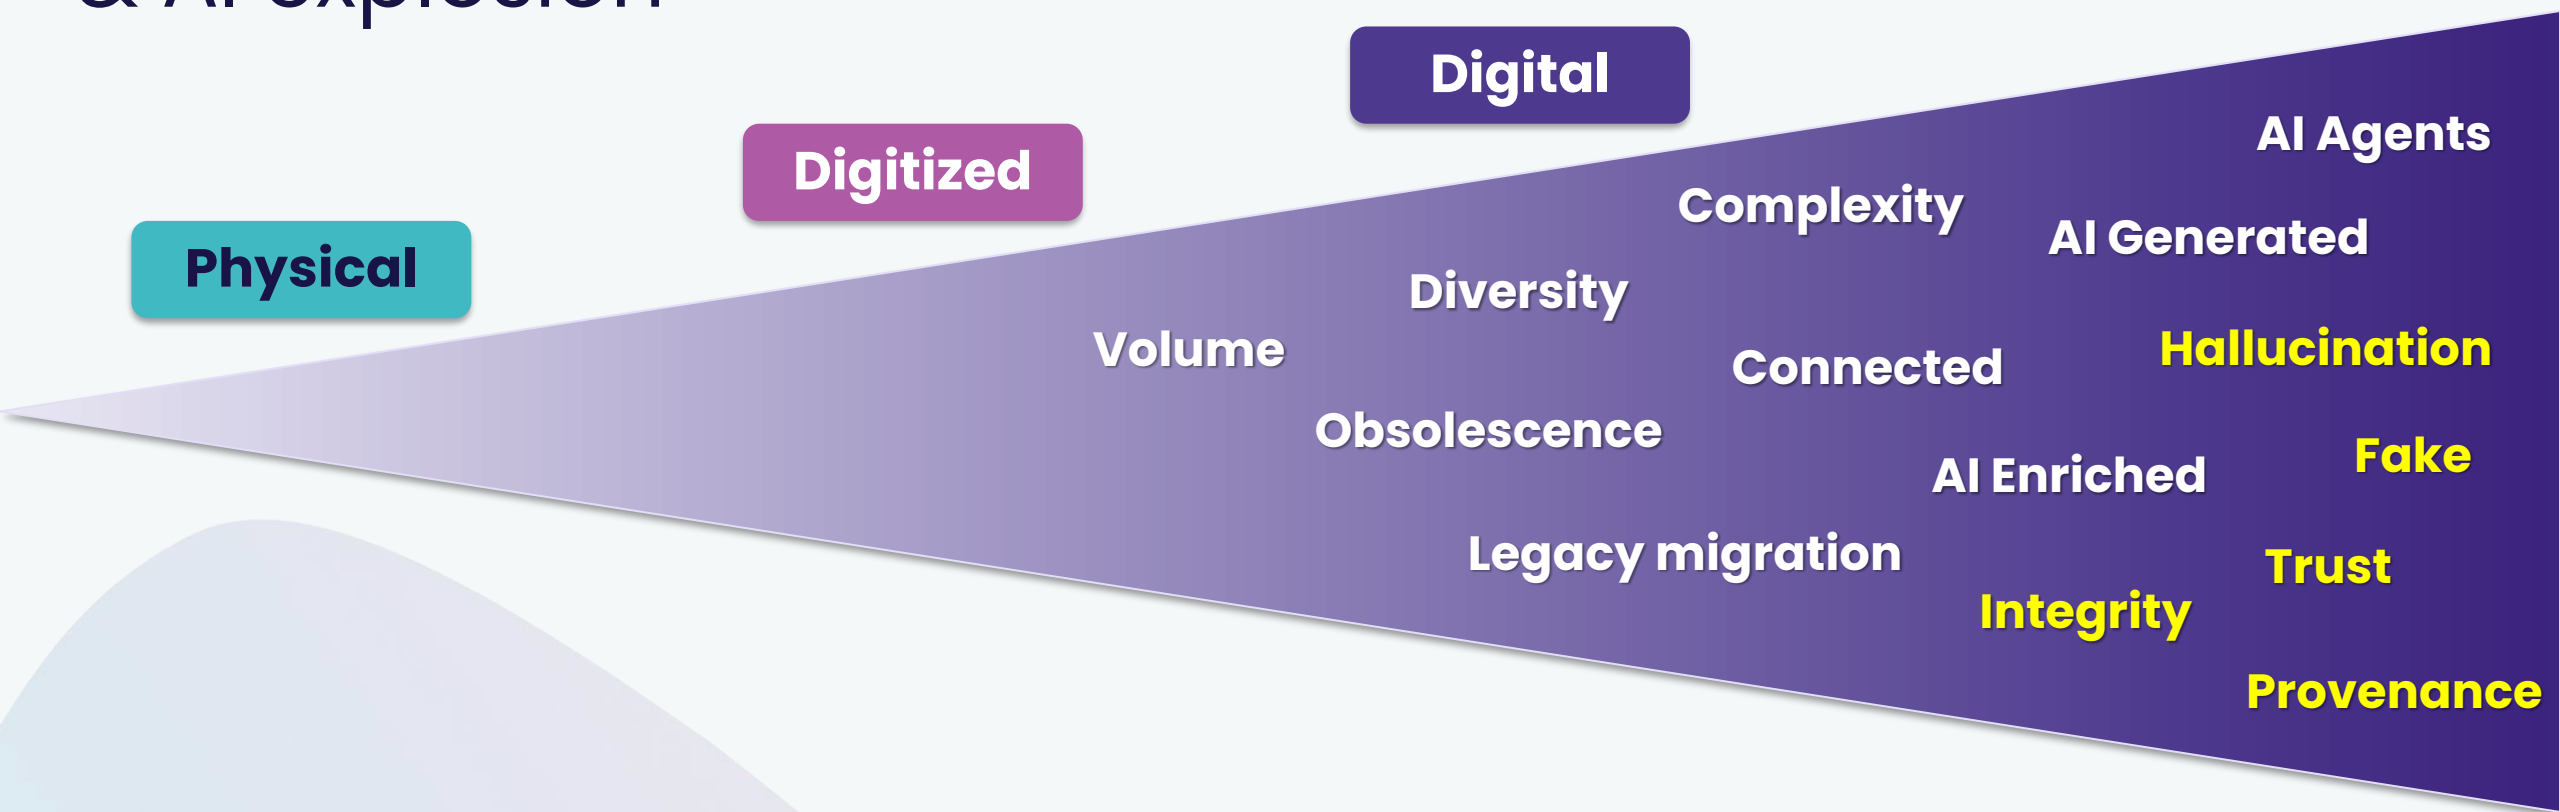

Records managers
said more than

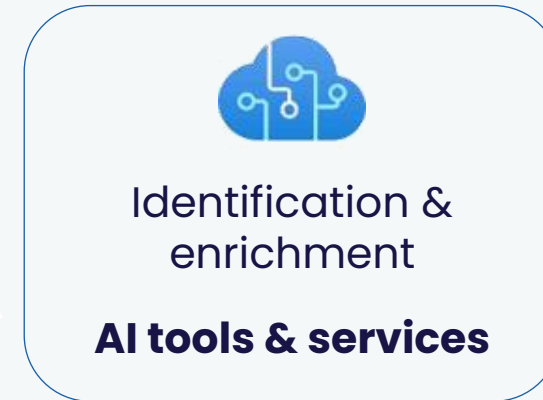

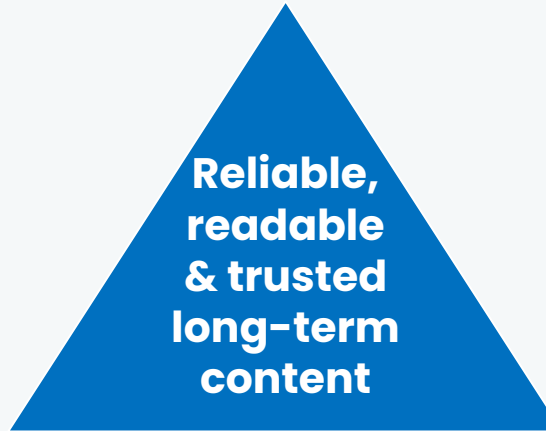

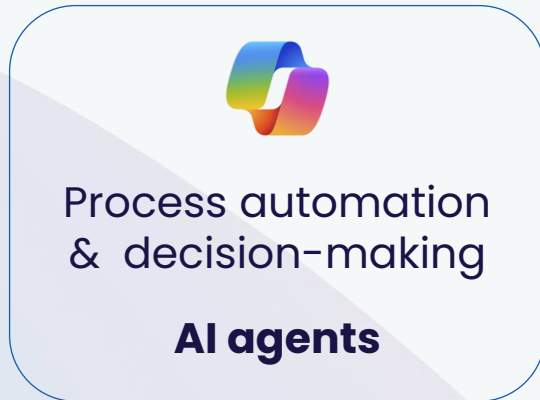

20–28%

of their records have >7
years retention or are
permanent

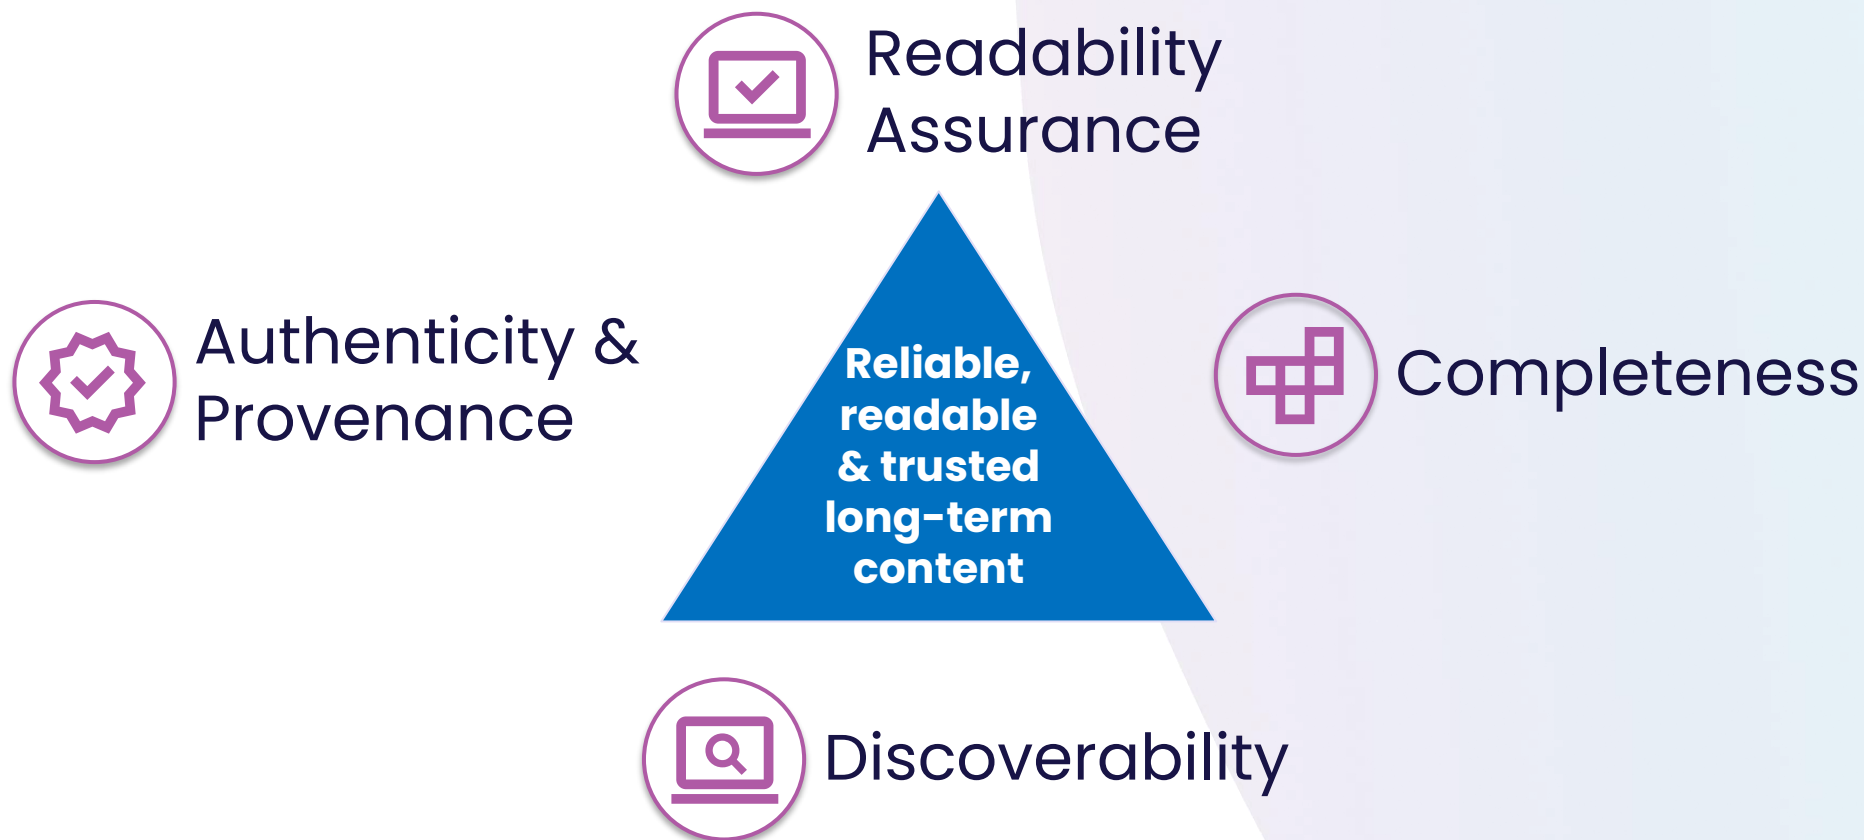

Microsoft content growth, format complexity & AI explosion

Strategic automation & AI tools in Microsoft

Ensuring long-term data quality for compliance & AI readiness

Driving compliance & efficiency with a central repository for permanent records in local government

Boards &
Commissions

Buildings &
Grounds

Engineering

Highways

Preserving project files over decades, reducing storage costs & maintaining access for business teams
